

## **Materials List**

In addition to 3/4-in. plywood, you'll need No. 20 biscuits and iron-on edge band. Sleeve connectors are available from McFeely's Screws at [mcfelys.com](http://mcfelys.com). To get the "M4 x 35mm Female Connecting Sleeve 1-3/8 in." and the "M4 x 15mm Male Connecting Screws," search for "PCF-M435" and "PCM-M415," respectively.
