Test Results

Title: Citrus Ade (30627)

Test	Planned Date: 7/15/2005 10:30:00 AM	Actual Date: 7/18/05	Tested By: Fridirici, Nancy
Editorial:	Refreshing and bubbly and not too sweet - a great punch for a summer party but doesn't really complement this editor's meal (shrimp casserole + salad w/ choc. pie), esp. if used in Feb/March. BAS		
Test Kitchen:	Talked about this meal being planned towards the spring w/ ingredients of this beverage & felt more spring; Nice flavor w/ just the combination of ingredients; Pretty lemonade color; Publish DW 7/16/05.
